

Payment Processing, Inc.

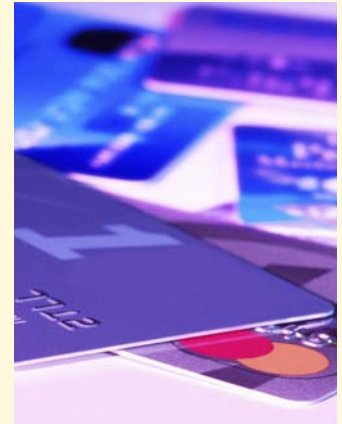

“We have partnered with PPI because they, like Quayle Computer Concepts, offer extraordinary value and service at an incredible price.”

Gordon Quayle
Owner
Quayle Computer Concepts

Integrated Payment Processing *from the Industry Leader*

The world of payment processing can be confusing – especially when you’re trying to run a business! That’s why Quayle Computer Concepts joined forces with PPI to create a fast, efficient and affordable integrated payment processing solution.

While others offer piecemeal services, **only** we give you one resource for everything you need: quality merchant account services, superior integrated payment processing technology, and unwavering technical and administrative support. From set-up through on-going operation and troubleshooting – we simplify the process of accepting card payments so your business operates more efficiently and more profitably.

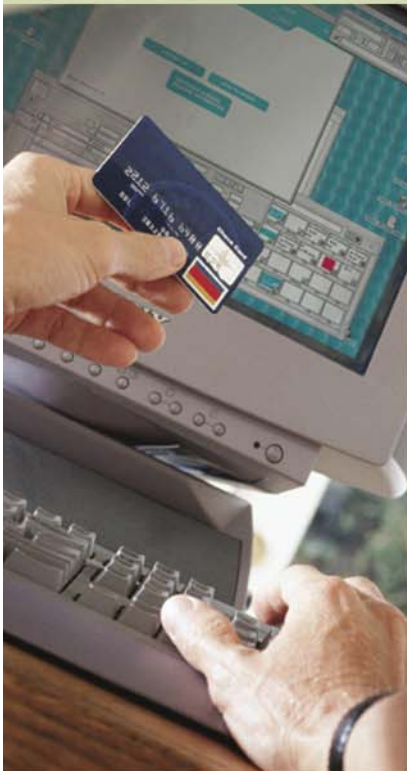

Get the optimal integrated payment processing package for your business!

The Best Solution.

- **Seamless integrated credit card processing** certified by Quayle Computer Concepts.
- **Configuration, installation, testing, and training** – PPI experts get you up and running quickly & smoothly. Save time... save money... and guarantee usability!
- **Superior Troubleshooting Expertise** – Unlimited in-house 24/7/365 tech support for both software and transaction issues. No more ‘bouncing’ between vendors.
- **Competitive pricing for merchant services** saves you money on initial set-up & frequently beats bank processing costs.

The Best Deal.

- **SPECIAL PACKAGE PRICING** – Get PCCharge™ for only \$99, and a card reader for just \$125!
- **NO** merchant account set-up or application fees.
- **FREE** configuration, installation, testing, and training.
- **FREE** technical troubleshooting. Save hundreds of dollars in annual tech support fees & receive support beyond traditional standards.
- **FREE** administrative support and fraud monitoring for the life of your PPI merchant account.
